Conference Rooms:

As in previous years we have named the conference rooms after political prisoners from struggles around the world.

Free Red Fawn Room: This is the main auditorium located in the El Morro Theater. Red Fawn Fallis is a water protector who participated in the #NoDAPL Protests at Standing Rock. She is currently serving 57 months in FCI Dublin, California.

Free Lula/ Lula Livre Room: This is the meeting room located inside the Octavia Fellin Public Library. Luiz Inácio Lula da Silva is the former President of Brazil, a metalworker and trade union leader, who helped found the PT (Workers Party), Brazil's main left party. He is currently in prison on false and vindictive charges.

Free Ahmad Sa'adat Room: This room is located in the El Morro Events Center. Ahmad Sa'adat is one of nearly 5,000 Palestinian political prisoners held in Israeli jails. These political prisoners, men, women and children, are activists, organizers and political leaders of the Palestinian people.

More info on Palestinian Prisoners: addameer.org

Shut Down The Camps Room: This room is located in the El Morro Events Center. More than 50,000 immigrants are currently being detained by ICE. They are facing cruel and disgusting conditions in essentially concentration camps-particularly Trans people, women, and children who are being separated from their families. Accessibility: Both the El Morro Theater and Events Center and the Octavia Fellin Library are wheelchair accessible. We are asking that folks refrain from wearing heavy scents. Unfortunately, we are not able to provide sign language interpretation. There will be all gender bathrooms.
